Dear Sir:

Applicant petitions the Office to withdraw this Application from issue pursuant to 37 CFR 1.313(c)(2). The issue fee was paid on 6/6/2005. Through inadvertent error on the part of Applicant, certain references cited in related patent applications were not cited in the present Application. Because the references may be material to patentability, the Examiner needs to have the opportunity to consider these references before any patent is issued on this application, and Applicant has filed a Request for Continued Examination and an Information Disclosure Statement with this Petition for that purpose. Therefore, Applicant respectfully submits that there is good and sufficient reason why withdrawal of the Application from issue is necessary.
